Test Case 1-

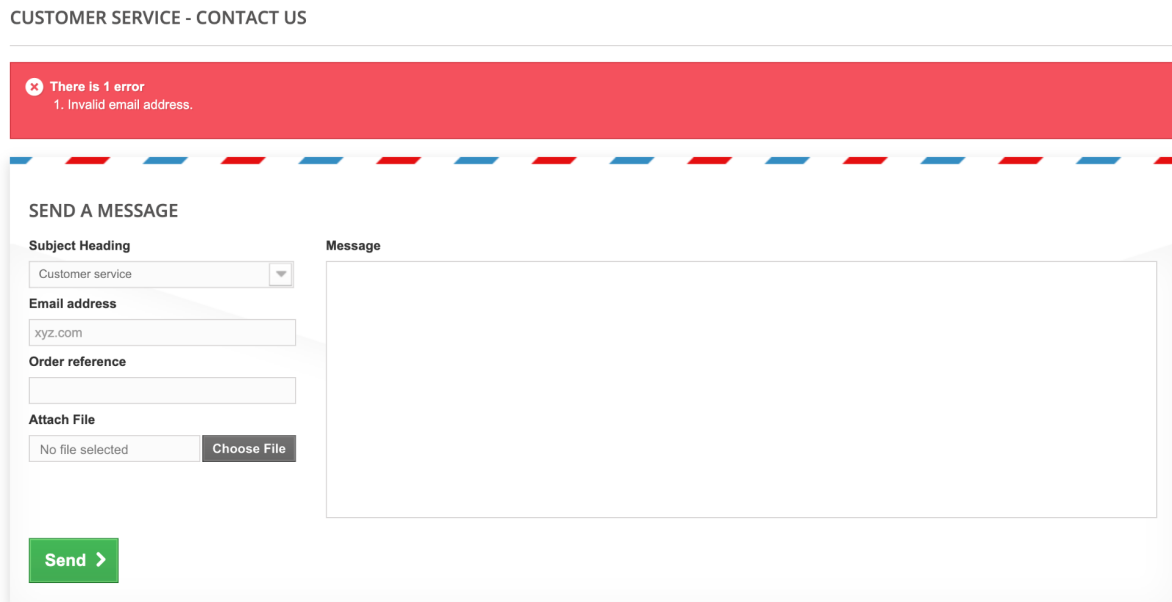

- 1- Open Application
- 2- Verify correct site is opened
- 3- Click "Contact Us"
- 4- Select "Customer Service" from Subject heading
- 5- Enter valid email address and add some message and click send
- 6- Verify Success Message

The screenshot shows the 'Contact Us' page with a green success message banner. The banner contains a checkmark icon and the text: 'Your message has been successfully sent to our team.' Below the banner is a 'Home' button with a left arrow.

Test Case 2-

- 1- Open Application
- 2- Verify correct site is opened
- 3- Click "Contact Us"
- 4- Select "Customer Service" from Subject heading
- 5- Enter invalid email address and click send
- 6- Verify the error message

The screenshot shows the 'Contact Us' page with a red error message banner. The banner contains a red 'x' icon and the text: 'There is 1 error' and '1. Invalid email address.' Below the banner is a form titled 'SEND A MESSAGE'. The form has a 'Subject Heading' dropdown menu with 'Customer service' selected. The 'Email address' field contains 'xyz.com'. The 'Order reference' field is empty. The 'Attach File' section shows 'No file selected' and a 'Choose File' button. A large 'Message' text area is on the right. At the bottom left is a green 'Send' button with a right arrow.

Test Case 3-

- 1- Open Application
- 2- Click on Dresses | Casual Dresses
- 3- Select one Item from Result and add to cart
- 4- Open the cart and verify the same item added in cart and price is correct
